Important information

For claims to be processed we require: 1. a fully completed claim form signed by the policyholder and the vet, 2. full medical history, 3. relevant treatment invoices. Incomplete claim forms will be returned and may delay your claim.

- Your completed claim form must be submitted to Pet Protect within six months of any costs being incurred.
- The excess applies annually to each illness or condition treated during the period of insurance as specified in your policy documents
- In addition to the excess, you may have to pay a percentage contribution to the cost of treatment, as specified in your policy documents, and if applicable will apply to each claim paid
- Treatment costs incurred over two periods of insurance will be assessed as separate claims under each policy year
- If you're claiming for the death benefit (section 10 of your policy booklet), please include an original receipt for the purchase of the pet and a pedigree certificate if applicable
- Please refer to the policy Terms and Conditions and Policy Schedule for full details of your cover

Important information for vets - ask your vet to complete sections F, G and H

Under the FCA's rules and guidance, vet practices are allowed to complete sections F, G and H below to provide information to the policyholder to enable them to complete their claim. It is the policyholder's responsibility to complete, sign and submit the claim form. Please ensure that the policyholder has not signed the form before you have completed the below.

- Please provide full clinical history for the pet in addition to an itemised receipt showing the date and cost of fees
- If prescriptions are included, please advise the quantity and type of medication prescribed
- If two or more conditions have been treated together, please provide separate costs for each condition
- If payment is to be made direct to the veterinary practice please also complete the payment details section (overleaf)
